Summer Camp is non-stop action with court competition, rally games, tennis trivia, and tennis bucks. Why not invite a friend to camp with you? Make an already fun adventure even more exciting with your pals playing by your side.

Many juniors have achieved incredible success by simply having their friends as fellow campers.

# TAKE YOUR TENNIS TO THE NEXT LEVEL THIS SUMMER!

CCC Tennis Camp is designed for Juniors of all ages and abilities. It teaches basic concepts of the games to beginners and more advance competitive concepts to tournament players. Ten and under tennis using the Quickstart Teaching System takes a new and better approach to introducing kids to the game. Balls are lower in compression; they bounce lower and don't move as fast so they are easier to hit. This allows kids time to get to the ball and helps develop optimal swing patterns. Racquets are sized for small hands, and the courts are smaller and easier to cover.

## Little Tennis (3 - 6)

Children meet for one hour per day and enjoy a fun, daily lesson plan based on the children's capabilities. Quickstart helps by scaling the game down to the children's size, making the learning process easier and more fun.
